Dear David Chaney:

The 2019-2020 accreditation statuses for your school district and sites have been approved by the State Board of Education. **The district status and site status are listed separately, per State Board of Education rules.** State Board of Education regulations allow accreditation for one year only; therefore, continuing compliance with accreditation standards is imperative at all times.

Please see the attached page(s) for you district and site accreditation statuses for school year 2019-2020

If you have any questions, please contact your Regional Accreditation Officer. Thank you.

Sincerely,
