Parents’ Right to Know Dear Parent/Guardian:

In accordance with the Every Student Succeeds Act (ESSA), Epic Charter Schools must notify every parent of a student in a Title I school that you have the right to request and receive information in a timely manner regarding the professional qualifications of your student’s classroom teachers. The information regarding the professional qualifications of your student’s classroom teachers shall include the following:

- If the teacher meets State qualifications and licensing requirements for the grade level and subject taught;
- If the teacher is teaching under emergency or temporary status in which the State qualifications and licensing criteria are waived;
- If the teacher holds certification in the area he/she is providing instruction; and
- Whether your child receives services by paraprofessionals and, if so, their qualifications.

You also have the right to request and receive information regarding any State or district policy on student participation on assessments.

If you would like to receive specific information about your child’s teacher or paraprofessional, please contact your school principal.
